FOR IMMEDIATE RELEASE

Professional Organizer Offers the Ultimate Wedding Gift for Overwhelmed Brides with Publication of “The Organized Bride’s Thank You Note Handbook” *Stacey Agin Murray’s Book of 101 Contemporary Sample Notes is Available on Amazon*

FAIR LAWN, N.J., February 9, 2015 – Stacey Agin Murray, a professional organizer, remembers all too well the difficulty in coming up with unique and personalized thank you notes to friends and relatives after her wedding. To help busy betrothed couples and newlyweds achieve success with the same task, she has written a book titled, “The Organized Bride’s Thank You Note Handbook: Let Systems and 101 Modern Sample Thank You Notes Take You From Overwhelmed to Organized.” The book is now available on [Amazon](#).

Agin Murray offers advice for easing thank you note writing anxiety as well as basic organizing principles to apply to thank you note writing, wedding planning, and everyday life. Her sample notes can be easily customized for any type of gift, friend, colleague or relative.

“It’s easy to feel overwhelmed by all the planning and note writing that takes place following an engagement, bridal shower and wedding,” said Agin Murray. “Brides typically are the ones who write the thank you notes, so I wanted to give them some support while also offering some solid organizing principles to apply to the process.”

Agin Murray started her professional organizing business, Organized Artistry, in 2002 in Fair Lawn, New Jersey. Much of the humor and easy style she employs during her organizing sessions and on her blog are evident throughout the book. “I want to put overwhelmed brides at ease, let them know I’ve been in their shoes, and provide solutions for their thank you note writing challenges,” she said.

“The Organized Bride’s Thank You Note Handbook” includes a seven-step system for organizing and composing the notes; 101 modern samples to use as needed; helpful dos and don’ts for the modern bride; and organizing tips for reaching letter-writing goals. The sample thank you note section of the book is divided into categories by occasion—engagement, shower and wedding—and is accompanied by an eye-catching, icon-based key for quick referencing.

Agin Murray speaks to groups on a range of topics about home and office organization and has been quoted in many [articles](#) about organizing and de-cluttering.

“The Organized Bride’s Thank You Note Handbook’ makes an excellent shower or engagement gift, or an add-on to a wedding gift,” noted Agin Murray. “As someone who organizes people’s homes, papers, and time for a living, I see how quickly my clients can get overwhelmed by stuff in their lives. I want to help brides stay on track and feel less stressed during this special time in their lives.”
